

Teacher/Class: _____

Date: _____

Dear Parent/Guardian:

Our class will shortly be using a website/technology resource as part of our classroom instruction. We will be using this website/technology resource for the following instructional purpose:

Most websites/technology resources do not require parental consent prior to use; however, for the reasons listed below, I am required to obtain your consent before using this resource in class.

- The website/technology resource uses collected data for targeted advertising.
- The terms of use for the website/technology resource require parental consent prior to use.
- Other: _____

Please sign and return this note by the following date: _____

If the note is not returned by that date, your student will be provided with an alternate activity during class.

Thank you.
